

**"One of the most successful
and probably the craziest
one-man show in
Australian theatrical history"**

Melbourne Herald

In April 1975 Reg Livermore stormed the stage of Sydney's Balmain Bijou Theatre with his groundbreaking show *Betty Blokk Buster Follies*. A tour de force, an irresistible blend of music and comedy the show caught the imagination of audiences all around Australia filling theatres wherever it played. This record of the show was released in cinemas during 1976 and is at last available for your particular enjoyment on DVD.
